LAST COUNCIL

MEETING IN 1964

## This Year Mail Delivery

Council Meeting, December 28, 1964. This last meeting in 1964 was a very important one.

Club Room Architects plans for the club rooms in Grosvenor Park are now ready and building will start as soon as possible. These club buildings will be financed with the \$22,000. Recreation Grant.

Licensing Bylaw was approved by Council after some small changes. This bylaw will go in force as soon as it is printed, explained and advertised to the local businessmen.

Letter Carrier Service Council received the following letter from the Canada Post Office:

ST. ALBERT, ALBERTA - PROPOSED EXTENSION OF LETTER CARRIER SERVICE.

This refers to previous correspondence concerning a proposal to extend Letter Carrier Delivery Service to St. Albert, Alberta from Edmonton.

Our letter of 21st October 1964 indicates that this matter could be left in abeyance until the early spring of 1965.

Further representations have now been received, however, indicating that the extension of letter carrier service to St. Albert from Edmonton and the conversion of the St. Albert Post Office into a postal station of Edmonton would be acceptable to the Town Council of St. Albert as an interim measure, providing the separate status of the St. Albert Post Office could be restored when the town meets the requirements for the establishment of an independent letter carrier delivery service.

In order to meet the postal service requirements of St. Albert on a long term basis, this Department is prepared to take the following action, subject to acceptance by the Town Council:

1. Extend letter carrier service to St. Albert from Edmonton.
  2. Convert the present St. Albert Post Office into a postal station of Edmonton to be known as "St. Albert Postal Station". In addition to providing wicket service to the public, this postal station will house the letter carriers who will serve the St. Albert area.
  3. Retain "St. Albert, Alberta" as the postal address for the town, without any reference to "Edmonton".
  4. Re-establish a separate St. Albert Post Office when the town has sufficient points of sale to qualify for an independent letter carrier service.
- An attempt would be made to find postal slots for the Postmaster and other full-time employees of the St. Albert Post Office either at the St. Albert Postal Station or the Edmonton Post Office. The above proposals would enable the town of St. Albert to obtain the benefit of door-to-door delivery of mail and still retain its separate postal identity until an independent post office can be re-established.
- During mail hour citizens to be addressed in St. Albert, without any reference to Edmonton in the address. Outgoing mail of course, would be date stamped at the Edmonton Post Office and the postmark would read "Edmonton, Alberta".

approximately 60 percent of the patrons had already fulfilled this requirement. In view of that, it may be possible to estimate the time it will take to reach the 80 percent requirement and to complete other arrangements.

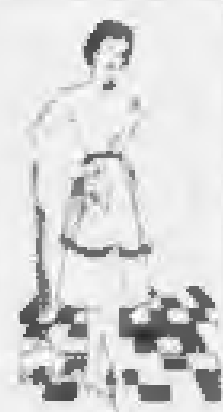

Mr. Bourke and Mr. Walker of the Main Edmonton Post Office attended this meeting to explain the consequences and contents of this letter:—80% of the houses in St. Albert must have a letter box before letter delivery can start. The bus inesses in the downtown and Franklin Shoppers Park area will receive two deliveries daily. Re-establishment of a St. Albert independent Post Office will take place as soon as St. Albert has 2,500 points of call. Councilor Ferguson wasn't convinced regarding the length of time involved in the re-establishment of a St. Albert Post Office since our town is eligible, despite Mr. Walker's attempts to reassure him. Council passed the Canada Post Office proposal, which means that St. Albert will be temporarily a sub postal station of the Edmonton Postal Department.

**Recreation Director.** The appointment of a Recreation Director was referred to the Executive Committee for advice. **Recreational Grant** to St. Albert minor hockey league. The recommendation of the Recreation Board to grant them \$500. was passed by Council.

# 1964 MAIL DELIVERY

Many of us will be happy to know that Council has approved a proposal of the Canada Post Office regarding door to door postal service in our town (See Council report this issue). There is one condition which is important for all of us to know. At least 80% of our residences must have a mailbox to assure that this mail delivery will start in about 3 months. The St. Albert Hercules is planning to sell these boxes in St. Albert to raise money for their association. Please wait until a Hercules boy knocks at your door to show you some samples from which you may order.

## Mail Delivery 2

The new regulation will affect the present staff of our Post Office. At least two employees will lose their jobs. We would like to thank these employees for the kind service they have given us in the past, and we hope that they will return as soon as we can re-establish our own Post Office.

## Mail Delivery 3

The new regulation will possibly also affect some downtown businessmen who always got some customers from the numerous Post Office customers. As we know, these downtown businessmen are broadminded enough to be convinced that residential mail delivery cannot be held up for this reason only.

## Mail Delivery 4 - Compromise

Council accepted the sound compromise for mail delivery for St. Albert because they were assured that the re-establishment of an independent St. Albert Post Office will take place as soon as St. Albert has reached the 2,500 delivery points. The decision of Council was taken after serious consideration, with the thought that this postal service can no longer be withheld from the residents.

# IRRESPONSIBLE ATTITUDE

At the December 14, 1964 Council meeting, Councillor Dick McGee made a motion regarding "Grants to Recreational Groups", which reads as follows: "That this item be tabled and that Mr. Chris Gates, Chairman of the Recreation Board be requested to be present at the next meeting of Council to discuss these recommended grants in detail with Council". This motion was quite clear because Council wanted to know a little more about where the public money would be used and there fore they thought that the Chairman of the Recreation Board, who recommended the grants to Council, was the best man to give more detailed information. Mr. Gates failed completely to inform Council regarding these grants, and he also didn't bring the recommendations of the Recreation Board as laid down in their various motions. We do not know what reasons Mr. Gates had to act in this way. What we do know is this. When Council asked Mr. Gates some questions regarding the YMCA and the Hercules grants which he couldn't answer, Mr. Andre Gate, Parks Superintendent, handed him the files of the YMCA and Hercules in which he could have found all the answers, but Mr. Gates didn't even bother to touch these files! It has taken the town more than 5 years to get a budget for grants to local recreational groups. Everybody in the recreational field was happy although they knew that this \$3,000. was not enough by far to cover this wide and important area. Now, due to Mr. Gates attitude, only \$500. of the \$3,000. grant will be used, leaving Council in doubt as to why anyone even asked for this money in the budget!

If Mr. Gates, as chairman of the Recreation Board, is not capable of informing and convincing Council regarding the importance of these grants for the general development and maintenance of recreational activities in our town, then there is only one way left - that Mr. Gates resign as soon as possible from this very important position!

One cannot blame Council or the Recreation Board in this matter because they did as much as they could. But, if the Recreation Board and Council cannot depend on statements from the Chairman of the Board, then the answer suggested by us is the only fair solution to avoid any further damage for the sake of organized recreation in our town.

Thanks to Councillor John deBruin, who with his motion, saved the \$2,500. Recreation Grant for this year. One only can wonder what would have happened if this motion had not been proposed or accepted by Council!

The paperboys will collect this money weekly or monthly, which means that you can support them the same way as you have done up to now. 10¢ of this will go to the St. Albert Gazette and the other 15¢ to the paperboy. This is the first time in our four years of operation that any money collected by the boys will go to the Gazette. Many readers have advised us in the past to charge some money for ourselves, because the volume of advertisement is not sufficient to keep the Gazette running on a proper basis.

We hope that this new regulation will meet with your approval and we also hope that you will remember the service which is given to you by our paperboys.

## From Our Readers

Dear Sir,

We would like to express our deep disappointment in the way the Chairman of the Recreation Board presented the matter of recreation grants to Council. We feel that such a presentation should only be done by persons who are qualified, concerned and well informed of the true circumstances.

We would like to thank the Recreation Board for their support given us in 1964 as laid down in their motions, which certainly proves that the Board are as a whole, sincerely concerned with organized recreation in our town.

Executive, Management and Instructors.  
St. Albert Hercules.

Dear Sir,

This letter concerns the recreational grants to the St. Albert Sports Association "Hercules", and the Y.M.C.A., which were turned down by Council at the last meeting.

Council had requested that the Chairman of the Recreation Board be present to explain more fully, why the Recreation Board had voted in favour of approving these grants.

I was present at that meeting, and was amazed at how little the Chairman of the Board said in support of their decision. Also, how little information he passed on to Council regarding the activities of both clubs. When he had previously been supplied with all the facts, concerning what the clubs did, and what they intended to use the money for, when asked what the "Hercules" Club did, he vaguely replied, that they had something to do with soccer, making no mention of the other activities of the club, i.e. football, hockey, judo, boxing, fencing and track and field, or of the over 300 St. Albert children who are members!

I feel that if Council had had these, and other pertinent facts brought to their attention, it is highly probable that they would have approved these grants.

However, on the little information they received from the Chairman of the Recreation Board, Council can hardly be blamed for not granting the money. Since this money for these recreational grants had already been included in the town's budget for this year (1964), and since also, these two clubs together with the Minor Hockey League (whose grant was approved) were the only applicants for the grants, it seems inconceivable that the Chairman of the Recreation Board should see fit to remain silent on this matter.

The whole point of his being present at this Council meeting was to explain why the Recreation Board approved these

three grants, and this would necessitate supporting his explanation with facts and figures - this he simply did not do and therefore might just as well have stayed at home!

Is this available money to be put aside and probably lost, when it should be providing our children with facilities for health and exercise now?

Yours truly,  
Mrs. T. Geary.

## 58+ YEARS EVE BIG NIGHT AT COMMUNITY HALL

1965 received a tumultuous welcome at the St. Albert and District Community League New Year's Frolic. For the 26th consecutive year, district residents brought in the New Year with delightful dancing and fantastic fun.

Two hundred persons were in attendance to greet the new year -- party hats, noisemakers and novelties helped the gale occasion. Dave Terrault and his Orchestra provided the toe-tapping tunes -- Irene Bellisle produced a scrumptious scotchbroth dinner.

Community League President Henry Terrault would like to thank everyone who took advantage of the event and reports that plans are underway now for a bigger and even better dance next year.
